BRIEF ABSTRACT OF LETTER.

Forwards an application dated 17.7.20 from Mr. P. Sampath Dyengar, Prof. of Geology, Central College requesting that he may be given Rs. 700 in the grade Rs. 500-50-1000 from 1-7-20 or 15-9-20.

NOTES AND ORDERS.

1 Mr. Sampath Dyengar was appointed Professor of Geology in grade Rs. 500-50-1000 from 1st July 1920 in G.O. No. 1080-83 / C.B. 153-19 dated 4th February 1920, with the direction that he would be started on the pay he would be

drawing in the Geo. Dept on that date. According to the Civil list, Mr. Sampath Syengar had been in receipt of Rs. 650 from 1st July 1919 and was entitled to Rs. 600 on 1st July 1920 in the Geo. Dept.

✓ The Comptroller, in giving effect to the Order dated 14th February quoted above, has, it is stated, ^{settled up his pay and} ~~permitted~~ ^{allowed} him to draw Rs. 650 + Rs. 40 p.a. during the current year.

Mr. Sampath Syengar points out, that consequent on the Comptroller's action, he would be drawing the same pay of Rs. 650 for two continuous years and that he would be entitled ^{only} to Rs. 700 on 1st July 1921, whereas he would have got Rs. 730 on that date, if he had ~~remained~~ continued to in the Geological Department.

3 Under the ^{above} circumstances, Mr. Sampath Syengar has made the following requests:

4 (1) That either he may be granted Rs. 700 in grade Rs. 500-50-1000 from 1st July 1920 as he has been

in receipt of Rs. 650 from 1-7-1919.
5 or (2) That he may be granted
Rs. 700 from 15-9-20, i.e., on completion
of the proportionate period of service
required to earn an increment of
Rs. 101-, the difference between his
pay in the Dept and the University
Subd for orders.

6 ^{Ting} ~~18/20~~ ^{18/20} As Mr Sampathapuram ~~was~~ ^{asked}
would have drawn Rs 690 in the tropical
Dept on 1st July 1920 if he had remained there,
it would be a hardship to split up the
pay to Rs 650 + 40 as this will deprive him
of an increment for a year. If he had
continued in the tropical Dept he would
have got Rs 730 ^{on 1st July 21} but in the Genl. line he
would perhaps get Rs 700 on 1st July 21 &
not 700 + 30 P.A. The grading in the two
departments being different, it would have
been regrettable to have given him from 1st July
the start of Rs 700 as the party would not
have felt ^{had any pressure} ~~appreciated~~ if he had been given a
start of Rs 700 on 1st July 21 as this was only Rs 60/-
more than what he was entitled to get.

the Council resolution was passed, was that Mr Sampat Singh would start in the Unit on 700 Rs. which was ~~thought~~ thought to be the pay he would get in the first Dept. on 1st July 20. This last belief was however a mistake as the annual increment in the first Dept. was 40 + 20 50 Rs. Mr Sampat Singh's pay in the first Dept. on 1st July 20 would have been 690 Rs. & I think he requires to be started in the Unit on 700 Rs. from 1st July maybe granted.

NOTE.—Contn. Sheet.

Submitted to His Highness.

Mr. P. Sampath Iyengar, M.A., Deputy Director, Geological Department, was appointed Professor of Geology, Central College, Bangalore, in the grade of Rs.500-50-1,000 in Government Order No.1080-83/C.B.153-19-8 dated the 4th February 1920 with the direction that he should be started on the pay he would be getting in the Geological Department on that date. Mr. Sampth Iyengar would have drawn Rs.690 in the grade Rs.650-40-850 in the Geological Department from 1st July 1920.

2. The Comptroller, in giving effect to the above order, has, it is stated, split up his pay and allowed him to draw Rs.650 plus Rs.40 personal allowance, during the current year.

3. In view of the Comptroller's action, Mr. Sampath Iyengar has submitted the following representation:-

that either he may be given Rs.700 in grade Rs.500-50-1,000 from 1st July 1920 as he has been in receipt of Rs.650 from 1st July 1919 and was entitled to Rs.690 according to the scale of his pay in the Geological Department, or

that he may be granted Rs.700 from 15th September 1920 on completion of the proportionate period of service required to earn an increment of Rs.10 the difference between his pay in the Geological Department and the University.

4. As Mr. Sampth Iyengar would have got Rs.690 as pay in the Geological Department on 1st July 1920 the Comptroller's action will cause him hardship in as much as it will deprive him not only of an increment for a year but at the same time will entitle him to a pay of Rs.700 only in July 1921.

Page 4 of office notes

5. When the papers came up to me I suggested that as the difference of Rs.10 is due to difference in scale it may be overlooked and that he may be allowed Rs.700 from 1st July 1920.

6. The other Members of Council to whom the file was circulated agree to my proposal which may be graciously approved.

Through

Sir Leslie Creery Miller, Kt.,
Vice-Chancellor, Mysore University.

Sir,

In Government Order No. 1080-83/C.B.153-19-8, dated the 4th February 1920, I was appointed Professor of Geology in the Central College, in the grade Rs.500-50-1000, from the 1st July 1920. But while according this generous promotion, an undeserved and, as I believe, unpremeditated hardship has been inflicted on me in the matter of my immediate pay, by the direction that I shall be started on the pay I shall be drawing in the Geological Department on the 1st July 1920.

2. I had been drawing Rs.650/- for one year from the 1st July 1919 to 30th June 1920, and I became entitled to draw Rs.690 as pay in the Geological Department from the 1st July 1920. The Comptroller has now intimated to me that I should draw this amount for the next one year, splitting up my pay of Rs.690/- into new pay Rs.650/- plus Rs.40 personal allowance. By such an arrangement, I shall have put in

13
two years' service on Rs.650/- before I reach the next higher stage of my new grade. This operates as an unnecessary and undue hardship on me.

3. There is another more serious result in the Comptroller's treatment of my case. I would, according to him, get only Rs.700/- on the 1st July 1921, while I would have got Rs.730/- on that date, if I had continued in the Geological Department.

4. I am confident that the Government did not intend such a result and I beg that :--

(1) I may kindly be granted Rs.700/- in the grade Rs.500-50-1000 from the 1st July 1920, in view of my having completed a year's service on Rs.650/- on that date, or

(2) I may be granted Rs.700/- in the grade Rs.500-50-1000 from the 15th September 1920, i.e., on completion of the proportionate period of service required to earn an increment of Rs.10/- by which sum my pay in the Geological Department falls short of that I claim in the *University* ent.

I have the honor to be,

Sir,

Your most obedient servant,

P. Sampat Singh

Professor of Geology.
